CITY OF YONKERS RECYCLING & REFUSE GUIDE 2016

yonkersny.gov

Yonkers Brief

City Expands Recycling Program

Yonkers was the first city in New York State to create a Styrofoam Recycling Program and in just one year we've recycled the equivalent of 2.5 million coffee cups. Recycle your foam products at the Yonkers Recycling Center.

Snow and Ice Control

The City has purchased new equipment to enhance our snow response efforts this winter. Learn how the City responds to winter storms by visiting yonkersny.gov/snow.

Keep Yonkers Beautiful

Help keep our neighborhoods and City parks clean. Clear your sidewalks of litter, high grass and weeds, and follow our Leave No Trace policy at City Parks by taking out what you bring in.

Yonkers Green City

We're going green and saving taxpayer dollars. Through our Yonkers Green City initiatives, we're cutting energy use, reducing the City's carbon footprint by 12% and saving \$20 million in energy costs over ten years.
